## Support Our Troops!

We're collecting Beanie Babies for "Operation Veronica" that provides care packages for service people in Iraq and Afghanistan. To date we've collected 400 Beanie Babies to distribute to our troops. Donating is easy – just bring your new or used Beanie Baby down to the hospital and we'll deliver them. Be sure to give us your name so we can follow up with a thank-you letter.

## Last Chance to Win!

We still need a name for our Newsletter. If you think you have a good name, submit it on our Facebook page: facebook.com/PaumanokVeterinaryHospital or drop off your entry at the hospital. Hurry — our contest closes on November 22. The winner will be acknowledged in next month's e-news issue and will also receive a Paumanok gift pack filled with goodies! Contest is open to PVH clients only

Stop by to purchase your Paumanok Gift Certificate(s)

## Little Joe's Pet Tip

**GOT FLEAS?** We're having a really bad flea season. One of the worst in all the years we've been in practice. Fortunately there are ways to deal with this and effectively fight fleas. Call us for more information.

**THANKSGIVING ADVICE:** Although pet owners may be tempted to feed holiday foods to their pets they should avoid doing so...as the drastic change in diet can contribute to stomach upset and diarrhea, not a fun way to spend a holiday.

## PET PHOTOS WITH SANTA

Sunday, November 27 from 1 p.m. to 4 p.m. to benefit CCI. \$20.00 donation for photo session. Dogs, cats and all critters welcome! But, must be leashed or in a carrier. Call to make an appointment

## Career Exploration Volunteer Experience By Jordan LeWinter

Enthusiastically, I rushed to my first day at my new volunteer opportunity. I figured this would be a way for me to test the waters in a field that I want to go into. Thankfully, it became much more than that. I realized that this would not be a job, but rather a passion that would never become a job for me. I have Dr. Dee Hensen and her staff to thank for this. My experience at PVH was extremely rewarding and exciting. Dr. Dee and her entire staff treated me as if I had been a part of the team for a long time. I have learned a significant amount of things and information that will be useful to me as I continue my journey in becoming a Doctor of Veterinary Medicine. I was so impressed with the way everyone in the hospital dealt with the patients and their owners. It made me realize how important a role everyone plays in the treatment of the animals. I am very grateful for the opportunity I have had at PVH.
